Re: 2015 Regional Conventions of Jehovah's Witnesses

Dear Mr Newman,

We would like to take this opportunity to express our sincere gratitude and appreciation for the use of the Johannesburg Expo Centre for the two 2015 "Imitate Jesus" Regional Convention of Jehovah's Witnesses.

We were able to successfully present the program consisting of Bible lectures, a two-part theatrical production and interviews, which featured practical ways in which to imitate Jesus today. The Johannesburg Expo Centre provides a suitable venue for our annual conventions, allowing everyone in attendance to enjoy the program under cover and to associate and interact in a pleasant and peaceful environment. In total, around 52,000 attended this year's conventions over the two weekends, including families, elderly, and children from all cultural backgrounds.

May we please request that you convey our gratitude and appreciation to Hannes, Chris, Desrae for the friendly and professional manner in which they conducted themselves in the run-up to and during the two conventions. Their support during the conventions and willingness to attend to issues requiring their assistance is very much appreciated.

We are looking forward to planning our conventions for 2016, and will in due course contact you in this regard, especially to explore ways in which to use the facility more effectively.

Your faithfully,

Christian Congregation
of Jehovah's Witnesses
OF SOUTH AFRICA
