

JOHANNESBURG EXPO CENTRE

A CUT ABOVE

Located just south of Johannesburg, the Johannesburg Expo Centre is currently South Africa's largest purpose-built exhibition, conference and events venue. It is considered one of the top show venues in Southern Africa, and it has the capacity, experience, resources and strategic partnerships to host any occasion, regardless of size, across a broad client base.

"There is no venue more suitable to host the iconic Rand Show than the Expo Centre."

- Pula Dippenaar, South African Shows Messe Frankfurt (Pty) Ltd

"The Expo Centre is a one-stop shop for every event. The support staff were not only professional, but they were more than prepared to go the extra mile."

- Samantha Ngindi, Director of ICT Sector Skills and Partnerships from the Gauteng Department of e-Government

"We participate in a number of international mining exhibitions worldwide and have been supporting the Electra Mining brand for a number of years. The venue has always been remarkable from an accessibility point of view, considering the size of the equipment we bring in."

- Cindy Bailing, Marketing Services Representative of Joy Global

"In 2016, we presented the Expo Centre with an award for 10 Years of Service Excellence. Polyoak Packaging, a one-stop shop for all packaging requirements, is the Expo Centre's biggest warehousing client. The award was presented to the Expo Centre team at our annual awards function in recognition of their dedication to their customers, and for their loyalty and excellent service to Polyoak."

- Polyoak Packaging Group

"The service we received from the Expo Centre was excellent and the precinct was well kept, tidy and conducive to a fantastic event. We were also very happy with the quality of food served, and the cleanliness of the ablution facilities, not to mention the special touch of sending us a memento to wish us luck. Thank you Expo Centre!"

- Gary Corin, Managing Director of Specialised Exhibitions Montgomery

"This was the 10th anniversary of the show so we were determined to make it the biggest yet and the Expo Centre was the perfect venue to deliver a memorable performance. There's ample parking, easy access to and from the venue and large exhibition halls that satisfy every possible show requirement."

- Sean Newman, CEO of Sexpo SA
