“The versatility of the JEC venue enabled this year’s theme, featuring cars and racing, to be executed with style as artists and performers were driven on stage in a range of vehicles”

**Organisers**  
Channel O Africa  
Music Video Awards

“The JEC meets all of the logistical and infrastructural requirements of a construction machinery and mining machines trade fair such as Bauma Conexpo Africa”

**Elaine Crewe**  
CEO of BC Expo South Africa

“Africa is an upcoming region of great importance to us and we take pleasure in inviting the Southern African automotive community to participate in this event”

**Michael Johannes**  
Brand Manager of Automechanika

“The inaugural show provides timeless memories and, in February 2015, we raised the bar. We plan to grow the event in South Africa for many years to come so that Ultra South Africa becomes a destination festival that music fans should experience at least once. As Ultra expands to other parts of the globe, giving the festival new heights, there may not be a more beautiful location in South Africa than the JEC”

**Russell Faibisch**  
Founder, Producer and CEO  
Ultra Music Festival and Ultra Worldwide

“The SAB Extravaganza went off seamlessly and the team at JEC is a pleasure to work with. It’s a well-designed, world-class venue that is perfectly suited to hosting large crowds of people. We will definitely be back”

**Bibi Burness**  
Organiser for South African  
Breweries Extravaganza

“The event was such a great success that General Motors is coming out to do it again in November. We were delighted by the spectacular response and the fantastic service we’ve come to expect from the JEC”

**Gugu Zulu**  
Spokesperson for General Motors

“We were delighted to introduce China Sourcing Fairs to the Johannesburg Expo Centre. This is the ideal venue for this unique brand, meeting all our requirements as well as those of our exhibitors and visitors.”

**Wendy Lai**  
China Sourcing Fairs
