ABOUT JEC

The Johannesburg Expo Centre (JEC) is a unique, purpose-built exhibition, conference, convention and events venue and perhaps one of Johannesburg's best-known landmarks.

In addition to positioning itself as exhibition, conference and event organisers' venue of choice, the JEC is committed to strategically aligning itself with carefully selected partners that provide an experience that prioritises convenience and aptitude.

Since its establishment over 30 years ago, the Johannesburg Expo Centre (JEC) has continued to transform its outstanding facilities to become one of the leading venues in the world today.

LOCATED SOUTH OF JOHANNESBURG, the JEC is one of South Africa's largest purpose-built exhibition, conference and event venues.

With multipurpose facilities that provide more than 50 000 m² of indoor space and over 100 000 m² of versatile outdoor space, the JEC is ideal for exhibitions and other large-scale events.

The JEC boasts a variety of venues to suit any occasion. These include large indoor venues such as the Clubhouse and Man-Building, which provide the perfect setting for product and media launches. For a more upmarket business meeting or conference, conference rooms such as Black Eagle and Bateleur are ideal for corporate events.

Other additional features include a monorail, a 4x4 track, a registered helicopter landing base, a multipurpose arena for 20 000 people and a mini-golf course. The JEC is surrounded by multiple entry points for each hall, which provides ease of access for event build-up and breakdown.

"The JEC offers a unique setting that can accommodate any client," says Craig Newman, CEO, JEC. "Our strength lies in the diversity of our facilities, which enable us to host anything from an international music festival or a professional trade exhibition, to car and boat shows, and upmarket events and weddings – to name just a few."

He adds that, in order to remain relevant and keep up with the needs of its clientele, the JEC constantly reinvests in its facilities. "As a large venue with significant foot traffic throughout the year, we must ensure that our facilities are always of a high standard and that they never fall short. Annual upgrades and renovations are critical to maintaining the high level of integrity to the venue's infrastructure.

"This is all part of the commitment we've made to our clients and stakeholders – to always provide the best possible experience," explains Craig.

SERVICE PROVIDERS THAT DELIVER ON

The JEC prides itself on only its world-class facilities but also the maintenance of its facilities and outsourced service providers. This is achieved by working with some of the top suppliers in the industry. JEC's security, cleaning, catering and expo services are among the leading suppliers in the industry.

MAIN EVENT CATERING

Main Event Catering is the name behind the JEC's five-star catering service. Offering each client and event a trusted, turnkey solution for all catering requirements, Main Event Catering's reputation is built on years of delivering

“Having kept pace with the remarkable growth of the global industry, the JEC is a world-class venue that offers clients, exhibitors, and visitors a unique and memorable experience.”

excellence in the eventing, exhibitions, conferencing and corporate catering arena. This supplier’s passion for food is reflected in its track record and the countless successful functions and events for which it has catered.

RECALL SECURITY

Visitors to the JEC are greeted by the highly professional security officers from Recall Security. Recall is one of the leading security service providers in South Africa, with multidisciplinary services that provide clients with solutions to complex issues to ensure a safe and secure environment. Recall Security is an integrated group of highly trained specialists and security personnel providing cost-effective solutions and specialist services.

ZF CLEANING

All JEC’s facilities are expertly maintained by ZF Cleaning Services, an affiliated member of EXSA. For over 30 years, ZF Cleaning Services has rendered services to some of the leading exhibitions, conferences and events organisers in the industry.

EXPO GUYS

Expo Guys is a one-stop exhibition shop with a solid reputation for completing exhibition stands on time, within budget, and exceeding clients’ expectations. Expo Guys offers turnkey solutions for exhibitions that can be tailor-made to suit specific requirements, while working closely with all clients to ensure objectives are met. Expo Guys

offers a full design service with quick turnaround times, manufacture of the design, and on-site project-managed build-up and breakdown services.

AWARD-WINNING COMBINATION

Confirming that the JEC is delivering on its objectives, the venue achieved top honours at the PMR.africa Business Excellence Awards during 2017, in the category for Top Exhibitions and Events Venue.

The awards rate South African venues according to 17 attributes, including: facilities, catering quality in relation to cost, cleanliness, office facilities, parking facilities, reputation, and value for money. Other attributes include environmentally friendly structures, facilities for disabled persons, security and, of course, the staff’s willingness to go the extra mile. “We have to ensure that we stay relevant in an environment that demands excellence in every way,” says Craig.

“We have the capacity, experience, resources and strategic partnerships to host any occasion, regardless of size, across a broad client base,” Craig adds. “As a dedicated and award-winning exhibition, conference and event venue, we are more than prepared to meet the exceptional demands of every event.”
